

DAALDER

Dear guest,

What an honour you've brought the Thuis met Daalder & De Librije menu into your home. Trust me, we're going to have a wonderful night together. First, let's create a nice atmosphere. Set your table with your finest cutlery and crockery, bring out the nicest wine glasses and dim the lights. We've included a candle with your order for some extra cosiness. The music has also been taken care of: I've made a playlist for you, just for tonight. Scan the QR code below and let's welcome Daalder into your home.

LET'S COOK

With Thuis met Daalder & De Librije, we dive into the kitchen together for the finishing touch. To me, the quality of the food is extremely important, and I want you to be able to really enjoy every course in peace, without having to worry that the next dish will cool off in the meantime. That's why we finalise the dishes together. In between cooking, you can fully enjoy the food and your company. Subtitles are available in English and Dutch, which you can activate in the settings within the YouTube video.

Keep in mind: most ingredients for two persons share a container. This is to reduce plastic waste.

Scan the code below for instructions.

Experiencing problems with scanning or don't have a QR-scanner? You can also visit our YouTube channel: 'Restaurant Daalder' to see my directions. Here you will find playlists with the current Thuis met Daalder menus. Also, the preparation methods and requirements can be found in the descriptions of the accompanying video.

Together with chef Nelson Tanate, we have created a fantastic dinner for you. How did you like cooking with us? I'm very curious about your experience with Thuis met Daalder & De Librije. Let me know on social media with #ThuismetDaalder or tag me or restaurant Daalder in your post.

On behalf of team Daalder, De Librije and our suppliers I'd like to thank you for your support.

Enjoy your evening!
